

*Introduction*

The crime rate in india is showing cancerous growth day by day. This situation is due to lack of fear among the anti-social elements as we have a corrupt judiciary system, delayed judgments and the laws of our Indian constitution with most loop holes. At present, in India, hanging till death is the only capital punishment in practice. A criminal who rapes and murders a small child, snatching and cutting a female's throat for a smaller piece gold chain, a corrupt politician still escapes from the law and these are also shown by the honorable media channels of our country are blood pressure raising. But still, one individual's rage against these crimes cannot keep a full-step to these crimes.

1. Burning till death.
2. Boiling till death.
3. Impalement.
4. Sawing.
5. Crucifixion.
6. Scaphism.
7. Lingchi.
8. Guillotine.
9. Blood eagle.
10. Devouring by animals- by elephant.

These punishments were given to those who commit unforgivable crimes such as murder, rape, doing activities against the country, corruption etc. and all such crimes that harm the people.

11. quartering by 4 horses.
12. Death by a pendulum axe.
13. Immurement.
14. Keelhauling.
15. Stoning.
16. Buried alive.

*Conclusion*

To curb all these criminal activities, "bring back ancient capital punishments to bring back true freedom for our mother india".
