

RajaRajeshwari Medical College & Hospital along with its affiliated came together and celebrated the “**International Women’s Day**” program. The program was held on March 27th 2023, 11:30 am at ACS Convention hall, RajaRajeshwari Medical College campus.

From 02.03.2023 to 24.03.2023, special activities for women like sports competitions, flash mobs, and many more activities were held. Addition to this, in view of creating awareness in all women a walkathon was carried out by the women employees ‘**Pinkathon**’ on 08.03.2023 to create awareness about “**Breast Cancer and Cervical Cancer**” by displaying banners and raising slogans while walking. Free mammography and Pap smear test were also provided to all the women at RajaRajeshwari Group of Institutions for 10 days. Various cultural programs were organized for the women employees.

In addition to honoring the women staffs who had achieved seniority in the organization, prizes were distributed to the winners of the sports competition. Smt. Lalitha Lakshmi, Managing Trustee, Moogabigai Charitable and Education presided the function and the Chief Guest for this program was **Dr. Ritu Kridhal Srivastava**, Indian scientist and Guest of honour was **Smt. Sudha Rani**, Kannada Cine actress. All the women employees actively took part in the celebration. The program flourished with cultural programs and came to an end with a lavish lunch provided to all the women employees of the RajaRajeshwari Group of Institutions.
