### Code Black Mock Drill

Code Black training and mock drill was conducted on 18/09/2023 to create awareness among the staff and students on the code black event. As per the disaster committee decision Medical Superintendent, Patient Safety Officer, Clinical Safety Officer in coordination with Quality cell, and Disaster subcommittee organized the code black training on 18/09/2023.

The code black mock drill was practiced on 18/09/2023 in Emergency Department. The code black mock drill went on well and response from the various departmental staff was satisfactory. Students enacted as patient triage doctors. The code black de-briefing was done. Only drawback noted was security did not inform to police personnel at the time of code black.

Security in charge was instructed to inform Police personnel about the code black incident when ever its happens.

Code black debriefing session was conducted by Dr. Sahajananda .H
