

Department of Anatomy - National Level CME on Exploring Neural tube development, “Intricacies of Neural tube defects & repair” on 2/3/2024

The Department of Anatomy, RRMCH had organised a National-level Continuous Medical Education (CME) focusing on "Exploring Neural Tube Development, Intricacies of Neural Tube Defects, and Repair" on 2/3/2024. The program commenced with a warm welcome to the attendees by Dr. Shruthi B N, Professor and Head of Department - Anatomy, followed by a keynote address by Dean, Dr. Sathyamurthy B.

During the event, guest speakers shared their expertise, where Dr. Yogesh Sontakke, Additional Professor from the Department of Anatomy at JIPMER, Pondicherry, provided comprehensive insights into Neural Tube Development. Following that Dr. Dibanath Chakrabarthy, Professor and Head of the Department of Neurosurgery at RRMCH, enlightened the audience on Neural Tube Defects and their repair.

In the spirit of academic engagement, a series of competitions were organised for MBBS and BDS students. A song competition focusing on the 1st, 2nd, and 3rd weeks of development of embryo took place, where the first and second prize were awarded to Bhargav Patel, Avani Bhat, and Disha M, MBBS students from Sri Chamundeshwari Medical College and Hospital and Asmi Ganatra, Gracia, and Shriram, students of RRMCH respectively.

Additionally, an art competition on the Anatomy of Sketching was conducted where Ms. Sourabha from Saptagiri Institute of Medical Sciences, Ms. Huda Noorani from the same institute and Mr. Ayushman Roy from RRMCH secured the first prize, and the second prize respectively .
