

RRMCH Students Shine at State-Level Anatomists Conference

We are delighted to announce that our First Year MBBS students have brought great pride to **Rajarajeswari Medical College & Hospital (RRMCH)** by excelling at the **Silver Jubilee Conference of the Karnataka Chapter of Anatomists**, a prestigious state-level academic event organised by the Department of Anatomy, SDMCMS & II Dharwad.

Out of over 60 participants from across Karnataka, **two of our students were awarded Best Paper Awards in the Oral Presentation category**, showcasing their commitment to academic excellence and innovation in anatomical research.

The winning students are:

- **Ms. Athmika A**
Paper Title: *Whispers of Symmetry: Unveiling the Medical Marvel of a Unique Co-existence of Situs Inversus Totalis (SIT) & Dextrocardia (DC)*
This study explores the rare anatomical phenomenon of co-existing SIT and DC, offering insights into its clinical significance and diagnostic implications.
- **Ms. Sowrabya Srinivasan**
Paper Title: *3D Morphometric Analysis of the Proximal Femur in Indian Adults: Implications for AI-Based Prosthetics*
This research presents a detailed morphometric analysis aimed at enhancing the design of AI-integrated prosthetic solutions tailored for the Indian population.

Both students conducted their research under the expert mentorship of **Dr. Shruthi B N**, Professor, Department of Anatomy, whose guidance was instrumental in shaping their scientific approach and presentation.

These accolades reflect the strength of our academic foundation and our commitment to nurturing future leaders in medical research.

The Management, Faculty, and Staff of RRMCH extend their heartfelt congratulations to Ms. Athmika A and Ms. Sowrabya Srinivasan. We celebrate their achievements and look forward to many more milestones in their academic journey.
