

Dear Dr. S. Rangalakshmi,

Greetings from Medical Dialogues.

Thank you for kindly accepting our invitation to participate in the **National Consultation on AI Readiness for Healthcare, Medical Education & Research**, scheduled on **16 August 2026 at Eros Hotel, Nehru Place, New Delhi**.

We are pleased to share the details of the panel discussion in which you will be participating:

Panel Discussion 2: Digital Competency of Undergraduate and Postgraduate Medical Students

Time: 11:00 AM – 11:40 AM

Session Chair:

Prof. (Dr.) Rajeev Sood – Former Vice Chancellor, Baba Farid University of Health Sciences

Session Moderator:

Prof. (Dr.) Anurag Mishra – Professor of Surgery, Maulana Azad Medical College (MAMC)

Panelists:

- Dr. Parmod Kumar Goyal – Principal, Adesh Institute of Medical Sciences and Research, Bathinda, Punjab
- **Dr. S. Rangalakshmi** – Dean, PG Studies, Rajarajeshwari Medical College and Hospital, Bengaluru
- Prof. G. Sunil Kumar Sharma – Director, RIMS, Imphal, Manipur
- Prof. (Dr.) Hemant Sawhney – Dean, School of Dental Sciences, Sharda University, Uttar Pradesh
- Dr. Latha Venkatesan – Dean, College of Nursing, AIIMS New Delhi

Questions for Dr. S. Rangalakshmi:

1. **You've watched generations of students evolve. What is one skill (technical or soft) that today's generation of medical students still lacks, despite growing up with technology and now in the AI era?**
2. **If AI could solve one day-to-day challenge for every medical student in India, what should it be?**

To help our graphic design and communication team prepare the event creatives, we would also be grateful if you could kindly share a **short professional bio and a high-resolution photograph** at your convenience. Please ignore this request if these have already been shared with our team.

The **attached document contains the complete session details, panel composition, and all discussion questions** for your reference.

We look forward to your valuable insights and participation in this important discussion.
