

RRMCH Faculty Shines at IAOHNS 2026, Jaipur: Hackathon Champions and Multiple Award Winner

RajaRajeswari Medical College and Hospital (RRMCH), Bengaluru, proudly congratulates Dr. Rajendran Dinesh Kumar, Associate Professor, Department of ENT & Head and Neck Surgery, on his outstanding achievements at the 12th National Conference of IAOHNS 2026, held in Jaipur from September 24–27, 2026. (Venue : Rajasthan International Center, Jaipur)

Invited as Faculty at this prestigious national conference, Dr. Rajendran Dinesh Kumar demonstrated Balloon Eustachian tube dilation in the Preconference workshop on 24th September 2026 at SMS Medical college Jaipur and also participated in the Inaugural Hackathon IAOHNS 2026. He also delivered a talk on “Balloon Eustachian Tuboplasty: Experience from a Tertiary Care Hospital.” He also served as a faculty member for the PG Preliminary and Final Quiz, contributing to the academic enrichment of postgraduate students.

He participated in multiple competitive academic sessions and secured the following awards:

1. 🏆 Second Place – Senior Consultant Paper Presentation Award
2. 🏆 Third Place – E-Poster Presentation Award
3. 🏆 First Place – Inaugural IAOHNS Conference Hackathon, 2026

Historic Achievement: First Prize at the Inaugural IAOHNS Hackathon

Adding to these accomplishments, Team 1, comprising Dr. Rajendran Dinesh Kumar and three young innovators, secured First Place at the inaugural IAOHNS Conference Hackathon, held from September 25–27, 2026, in Jaipur.

The team was awarded a cash prize of ₹1,00,000, along with a cheque, for their innovative pitch addressing a problem statement provided by the Hackathon Organizing Committee.

Meet the Winning Team

- Dr. Rajendran Dinesh Kumar – Associate Professor, Department of ENT & HNS, RajaRajeswari Medical College and Hospital, Bengaluru.
- Mr. Sachin Singh – PhD Scholar, IIT Jodhpur.
- Mr. Akash Gupta – B.Tech Student, Plaksha University.
- Ms. Sarita – MBBS Student, Dr. S.N. Medical College, Jodhpur.

This achievement highlights the power of interdisciplinary collaboration, bringing together medical expertise, engineering innovation, and the enthusiasm of young healthcare innovators to develop practical solutions for clinical challenges.

A Moment of Pride for RRMCH

With one national-level Hackathon championship and two competitive academic awards, alongside his invited faculty role and academic contributions, Dr. Rajendran Dinesh Kumar has brought recognition to RRMCH on a prestigious national platform.

RRMCH congratulates Dr. Rajendran Dinesh Kumar and the entire winning team on their remarkable accomplishments and wishes them continued success in research, innovation, and academic excellence.
