PG - Enrichment Training Programme

No. RRMCH/CRL/19/2026 Date: 30-10-2026

Circular

We are pleased to inform you that an **Enrichment Training Programme** will be organized at the Central Research Laboratory (CRL), RRMCH, from **11-11-2026 to 23-11-2026**.

The programme will provide hands-on training and practical exposure to the following instruments and techniques: PCR, RT-PCR, Agarose Gel Electrophoresis, NanoDrop Spectrophotometer, HPLC, Flow Cytometer, Fluorescence Microscope, Cobas e 411 Autoanalyzer, Fully Automated IHC/ISH Slide Staining Instrument, Electroencephalogram (EEG) – Neuropack S1, and Electroneuromyogram (ENMG) – Nihon Kohden.

In addition, a dedicated session will be conducted on **the selection of suitable Scientific journals indexed in Scopus, PubMed, and Web of Science**, with emphasis on identifying appropriate journals for research publication.

This training programme will be **mandatory for fresh postgraduate students of the 2025–2026 batch** from the following departments of RajaRajeswari Medical College & Hospital. However, interested faculty members, staff, and other postgraduate students are also welcome to participate in the program

The proposed schedule for the training programme is as follows:
