"Founder Chancellor's Message"

Disease, illness and trauma have always been a part of human existence, as have been healers. Wellness is the state that every healer seeks for patients but it is only in recent times that the advances in medical knowledge and technology have helped humankind come closer to the idea of wellness for all. At RajaRajeswari Medical College & Hospital, we endeavour to keep pace as deeper understanding of the human body and mind emerge, resulting in better treatment and intervention methodologies. For, the idea of health and wellness for all can come about only when dedication and action come together in pursuit of the ideal.

"MISSION"

- Learner centered Health Care Education.
- Patient centered service.
- Community oriented research.
- Strong community relationship.
- Serve the under served.
- Meet the regional, national and global health care educational needs.
- Inter organizational linkage.
- Strategic future oriented planning.
- Professionalism in management.
- Open organizational climate.
- Excellence in knowledge skills and service.

"VISION"

- Single window delivery of total human health care service & education needs.
- Total quality management.
- Unique work culture in alleviating human sufferings.
- To train general, specialised, & allied professionals to meet the regional national and global health care services.
- Be efficient, effective, community acceptable, and excel in service, education & research.
- To impart knowledge & interact with organizations of similar interest.
- Fostering global competencies, inculcating value system among learners.
- Promote use of technology of relevance.
- To induce paradigm shift in community that many diseases are preventable, curable & affordable.
- Reach the unreachable with awareness, education & service.
- Serve the under served.
